

Kim Dubois

ASEA Board Member

Kim Dubois A native Arizonan born in Chandler, Arizona. Kim entered into the escrow industry in 1985 as a receptionist at the Sun City office of First American Title Insurance Company. Through the mentoring of her branch manager, taking numerous Land Title Association correspondence courses and pursuing many of the Company sponsored escrow technical courses, she continued to develop her escrow skill sets and move up the ranks.

Kim's escrow experiences and passion for technology provided the necessary platform to get involved with development of the first escrow software application created in-house by First American Title. It was there she found her calling and has continued to manage courseware development, procedural training and support of technical needs of Escrow and Title employees for the Southwest Division.

Kim is very excited about serving on the Board of Directors for the Arizona Escrow Association in 2011-2012.

Kim has been married for 9 years and has 4 grown children and 5 granddaughters. When she's not working she enjoys "down time" with friends and family, camping and riding off-road vehicles.
