

Patti Shaw

ASEA President Elect

Patti Shaw entered the escrow industry in 1978 as a receptionist at St. Paul Title in Phoenix. Showing an aptitude for the business, she moved up fast and was a full-fledged escrow officer by the time she moved to Commonwealth Title in 1981.

Having totally impressed one of her customers with her skills, Patti left Commonwealth in 1986 when she was offered a position as the in-house Escrow Coordinator for Marlin Financial. Responsible for the day-to-day oversight of all real estate loans for the firm, Patti handled everything from reviewing title reports to preparation of loan documents. She was with the firm until its closure.

Joining Old Republic Title in June of 1991 as an Escrow Officer, Patti was soon promoted to Branch Manager.

In 1993 she opened a new branch at the corner of Hayden & Shea and hit the ground running by showing a profit within the first quarter. After building an impeccable reputation with a loyal following in the Scottsdale area, Patti left the escrow desk in 2002 by accepting a promotion to Vice President in charge of Escrow Operations where she still serves today.
