

# Heather Wyant

## ASEA 2nd Vice President

Heather Wyant has worked in the escrow and title industry for the past 9 years. Originally from Washington State, she moved to Arizona a little over 2 years ago. She says she certainly enjoys the weather here much more than in Washington.

Heather started out in escrow as a receptionist and worked her way up to an escrow officer running a desk for a few years before being promoted to Administration. She says she learns something new and exciting everyday in this industry and enjoys her work tremendously.
